***Allowable Subject Matter***

Claims 1-66 and 68-73 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not teach: with respect to claims 1 and 20—the alternate activation of actuators in combination with the spa control system; with respect to claims 36, 43 and 50—the modification of the time delay in response to an ambient air temperature measurement; with respect to claims 56 and 63—reduction of current to the heating module based on detection of other bathing unit components in the controller; with respect to claims 68 and 72—controlling the solid state actuator with differing energy levels responsive to receptacle temperature, in combination with the control elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark H. Paschall whose telephone number is 703 308-1642. The examiner can normally be reached on 7am - 3pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robin Evans can be reached on 571-272-4777. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
